

Music and fun at Abbotsleigh Care Home

We have had a great few weeks at Abbotsleigh Care Home with our residents and have really been enjoying the Daily Sparkle newspaper, as well as quizzes and puzzles which we all join in with.

Fun at the Copacabana

We had an amazing visit from **singer Jasmin**, who brought a Copacabana feel to the front of our **Home** as she performed a selection of tropical inspired tunes from a social distance. It was great to hear our ladies and gents singing along and enjoying themselves.

Pampering and selfies

We've been assisting our Hairdresser and **offering manicures** to our ladies which has proved popular; one of our residents decided she would like rainbow coloured nails, so we happily obliged!

We also had a 'Selfie day' when Diana B and Jean C had fun joining in taking photos.

Birthday celebrations

Thomas W celebrated his 83rd birthday with us on Saturday 22 August. He had a super day and very much enjoyed opening his

cards and receiving his special birthday cake. **Antonio** had his birthday on Friday 28 August so we've had fun celebrating. Many happy returns chaps!

Leaf paintings

Due to the recent changeable weather, we've been doing lots of **arts and craft activities** inside, with some fantastic leaf print paintings being created by our talented residents – *they look great!*
