

Music and merriment at Abbotsleigh Care Home

We once again welcomed the amazing singer Kevin Walsh to Abbotsleigh Care Home this week. He gave a wonderful performance; our lovely residents and staff always enjoy Kevin's shows – dancing, singing and foot tapping along to the songs!

We have been enjoying puzzles and quizzes from our **Daily Sparkle** newspaper too. And we've been assisting our residents with video **Skype** calls to their families; and arranging safe, **socially distanced family visits** in the garden.

Spending more time outdoors in the lovely dry, sunny weather means our flowers are looking great with all the watering and attention they receive.
