

Music and spring crafts at Abbotsleigh Care Home

Singer Keeley

Our lovely performer Keeley came to sing some swinging 50s and 60s songs for us at Abbotsleigh Care Home last week.

Everyone loves to sing along – our residents know all of the words to the **classic hits** and there is always some arm waving and pom pom action! *Great fun!*

Spring flowers

We've also enjoyed arranging a vase of **pretty spring flowers** to use for a creative session.

After they were arranged, some of our ladies spent time **painting** pictures of them and we also made some **greetings cards** too.

There is no stopping us when it comes to crafts in springtime!
