

Music from Kevin and cake decorating at Abbotsleigh Care Home

Our Abbotsleigh Care Home residents thoroughly enjoyed singer Kevin Walsh coming in to entertain them with his 50s and 60s rock n roll music recently.

We all enjoyed shaking **pom-poms** and **musical instruments**, singing along and bopping to the classic tunes!

We've also enjoyed some **cake baking and decorating** recently. Our ladies and gents especially enjoyed using an icing bag to decorate the tops of their cupcakes, followed by an array of colourful chocolate buttons and sprinkles. *And the eating part was good too!!*
