

Pancake Day at Abbotsleigh Care Home

Flippin' good fun

From pancake crafts and chit chat, to tossing pancakes in the lounge, we had a great day on Shrove Tuesday at Abbotsleigh Care Home.

Just for fun, our Recreation and Well-Being Champion Tracy made some paper pancakes with residents and enjoyed talking about the good old days tossing pancakes, whilst getting ready for the real deal.

Our Manager Alina is a keen pancake maker and she makes the very best! She set up stall in the lounge area, making delicious pancakes for our ladies and gents; *"The more the merrier!"* she said, and everyone had some. Our resident Brenda said they were *"Delish!"*.

Our lovely residents shared with us their favourite recipes as we all loudly counted out the ingredients and the amounts. Our enthusiasm got us carried away – five to six eggs became 10 eggs in all the excitement!
