**We have had a lovely week with our residents at Abbotsleigh Care Home, enjoying some fun pastimes.**

We've had a selection of board games and puzzles on offer, which are proving to be a big hit! Our residents and staff loved their games of snakes and ladders and our geometric puzzles were a good challenge too.

Our residents have also enjoyed creating some lovely paintings; one of our ladies chose a flower picture to paint, whilst others preferred to free style. Such a relaxing activity.
