

Singer Jasmin entertains at Abbotsleigh Care Home for VE Day

We joyfully celebrated VE Day at Abbotsleigh Care Home with singer Jasmin, singalongs and the sounds of Winston Churchill.

Jasmin dressed in a **wartime services uniform** and sang some wartime favourites as we waved our **Union Jack flags**.

Although the weather was not on our side, we wrapped up warm and had an amazing day **reminiscing about the war and music from the era**, and those who gave their lives for our freedom today.

A fantastic day, full of smiles!

Our residents loved Jasmin's music and reminiscing about the war
