

## **Special Valentines Dinner at Abbotsleigh Care Home**

**We were excited to host a lovely themed dinner here at Abbotsleigh Care Home to celebrate St Valentine's Day.**

We welcomed saxophonist Michael Lack to our Home for pre-dinner drinks music, which created a wonderful atmosphere.

Our four lovely couples had dinner upstairs in our Atrium, where we had dressed our tables beautifully to celebrate the occasion. Each gentleman gave his wife a rose, which was really special.

All our other residents enjoyed the same themed dining experience in our dining rooms downstairs, where we went to town with heart bunting, balloons, red roses and table decorations.

Everybody thoroughly enjoyed the day.
