

St Andrews Day and Romanian celebrations at Abbotsleigh Care Home

On Tuesday 30 November we celebrated St Andrews Day 'with a twist' at Abbotsleigh Care Home as St Andrew is also the Patron Saint of Romania, so we had double the reason to party!

We decked out our **Home** in Romanian colours and Jenny helped make some themed table decorations.

Our Romanian staff came together and made some **amazing food** for everyone to enjoy - a magnificent spread of meats, cheeses, stuffed peppers and other savoury treats, as well as a cake centrepiece.

With the Romanian flag on display and some of our team wearing **traditional clothes**, it was a happy and proud day for us all.
