

St Patricks Day celebrations at Abbotsleigh Care Home

We all enjoyed celebrating St Patrick's Day on Wednesday 17 March at Abbotsleigh Care Home.

Our fantastic Chef Alex made an **amazing rainbow cake** to celebrate the occasion, with icing, marshmallows and its own **pot of gold!** *It was very tasty!*

We had fun making **themed decorations** with our residents for our afternoon Irish tea party and our menu was coloured themed with the Irish flag in mind.

And as spring has sprung at **Abbotsleigh** we've been taking some of our residents out for **flower picking** and **walks in the garden** and wooded area. Our lovely Jen loved picking daffodils for our lounge.
