

The joy of music at Abbotsleigh Care Home

We've been lucky enough to have two fantastic musical performances recently at Abbotsleigh Care Home.

We welcomed **Kevin Walsh**, who is always a firm favourite, and also **Santino Fabbriatore**, who is a talented guitarist and singer, to entertain us from a distance. Our ladies and gents loved hearing the music, clapping along and shaking instruments and pom poms.

The beautiful **RDA horses** have started to visit us again, which has been a lovely treat for our residents who love seeing the beautiful animals.

We've also enjoyed **reading** with some of our residents and one of our ladies is really enjoying her empathy doll, which has been wonderful to see.

A visit from the RDA horses
