

## Tickled Pink Christmas Spectacular at Abbotsleigh Care Home

**We were thrilled to welcome the fantastic Tickled Pink in to Abbotsleigh Care Home to perform their 'Christmas Spectacular', which was a big hit with our residents!**

The lovely performers looked very festive in their Christmassy outfits and sang a selection of fantastic songs. Our residents loved wearing feather boas as part of the show. *Great fun!*

We have also been continuing to decorate our **Home**, making gingerbread houses out of boxes, putting up our festive trees and having great fun dressing up as elves!
