

Valentines Day fun at Abbotsleigh Care Home

Our Valentine's Day celebrations at Abbotsleigh Care Home were fantastic!

We enjoyed **decorating our Home** for the special occasion and even our residents wanted to help dress all the tables.

Talented singer **Jamine Kittermaster teamed up with a lovely gentleman** to become a duet for the day. They sang very **romantic songs** and our residents really loved their show.

Everyone loved the wonderful atmosphere and we had the world's coolest 105 year old – *Emily in her sunglasses!*

We definitely felt the love here at Abbotsleigh!
