

Wear It Pink Day highlights Breast Cancer Awareness at Abbotsleigh Care Home

Our 'Wear It Pink' Day in support of Breast Cancer Awareness on Friday 21 October was a really memorable day here at Abbotsleigh Care Home.

We made a **special pink display with bunting and balloons** and our wonderful Chefs made some super **cakes** for the occasion.

Our residents also made some lovely **pink-inspired painted art pieces** too.

A creative and fun day in support of a very important cause.
