

Wedding congratulations at Abbotsleigh Care Home

We have some lovely wedding news to share regarding two members of our staff team here at Abbotsleigh Care Home.

Senior Night Healthcare Assistant Alexandra and Senior Night Nurse George Nico travelled home to Romania to get married recently. What a beautiful couple they make!

On their return to work they were presented with some lovely flowers and gift vouchers by our Home Manager Alina.

Many congratulations Alexandra and George - we wish you a lifetime of happiness together.
